

Training

The Ponteland Community Partnership supports the committee members receiving appropriate training as a safeguard when working with the community and organisations on a variety of projects. This training may be given through individual's employment as well as specific training for voluntary organisations such as the Community Partnership.

To date individuals have attended the following:

13th January 2018 Awareness of Safeguarding Adults & Children Training Course

22nd September 2017 designated Person for safeguarding in VCS Training
